RE: Complaint against William Russell for Congress (Committee ID:
C00440974) and Scott B. Mackenzie

Dear Ms. Duncan:

Larry Stiles, the Campaign Manager for the William Russell for Congress Committee from October, 2007 through January 3, 2008, hereby brings this Complaint pursuant to 2USC §437g(a)(1) against the William Russell for Congress and Scott McKenzie as Treasurer.

William Russell is a Republican candidate for the United States Congress from the 12th District of Pennsylvania. Russell's campaign committee is William Russell for Congress.

COUNT 1

On December 19, 2007, Russell filed a Form 2 "Statement of Candidacy" with the FEC. A true and correct copy is attached hereto, and incorporated by reference herein, as Exhibit A. in which he stated that he intended to expend zero personal funds on his election campaign.

Russell established a campaign headquarters in an apartment in downtown Johnstown in October of 2007; however, Russell has failed to disclose any rent or lease payments on any of his campaign finance reports.

The law with regard to the rental of campaign space is clear. Payments for rent are to be reported as operating expenditures. 11C.F.R. § 104.3(b) (2) (i). Failure to disclose rental payments results in an in-kind contribution to the committee. 11C.F.R. §100.7(a) (1) (iii). The amount of any goods or services, including any rental property, provided to the

committee must be at the usual and normal charge in the market for which they would ordinarily be purchased. 11C.F.R. §100.7(a) (1) (iii) (B). However, any provision for less than the usual and normal charge, or for no charge results in an in-kind contribution by the lessor, and is subject to the limitations provided in Act. 2 U.S.C. §441b (b) (2); 11C.F.R. § 100.7(a) (1) (iii) (A).

It is axiomatic that a legitimate campaign requires at least some minimal office space to operate. As such, one would assume that the Russell campaign ought to be showing some sort of either payment or contributions for a campaign headquarters.

But Russell reports are completely devoid of such an entry. Thus, in the absence of other evidence, it would appear that he is either (1) receiving an in-kind contribution for office space, but not reporting it because it is corporate, or (2) paying for space but wishes to hide that fact from the public.

Because there is strong evidence that the Russell campaign is using property in some nature and is not reporting any contribution or expenditures for such use Commission action is warranted.

COUNT 2

Russell's Statement of Candidacy and Organization were filed on December 19, 2007. His campaign fundraising had been anemic -- virtually all of his campaign activity had been self-financed. Payment of Russell's and Larry Stiles' meals and travel; and rental of an RV for the campaign's announcement tour and other expenses were paid with Russell's personal credit card.

The announcement tour was videoed by I-IMS of Johnstown, PA and placed on YouTube. A true and correct copy of the Interact-Interactive Media Systems Invoice is attached hereto, and incorporated by reference herein, as Exhibit B. This has not been reported as either expenditure or an in-kind contribution. Moreover, there is no reference to any sort of receipt or disbursement in financial disclosures with the Commission.

Regardless of who created the website, Russell is required to disclose it as either a receipt or disbursement, and he fails to do so.

In December, 2007, Russell reimbursed himself One Thousand (\$1,000.00) Dollars for expenditures on behalf of the campaign.

Russell knowingly and willfully failed to report these disbursements on the 10/01/2007 - 12/31/2007 Year End Report.

In a document dated January 4, 2008, a true and correct copy is attached hereto, and

29044231076

incorporated by reference herein, as Exhibit C, Russell knowingly and willfully issued a William Russell for Congress check drawn on the First National Bank in the amount of Three Thousand Dollars (\$3,000.00) to Larry Stiles. Russell knowingly and willfully failed to report this disbursement on the 01/01/2008-04/02/2008, Pre-Primary Report in violation of 11 C.F.R. §104.3(b) (4) (vi) and 104.14(d).

Moreover, nothing found in Russell's reports to date support the characterization of this check as a reimbursement. Accordingly, there is no identifiable legitimate campaign purpose for this check.

COUNT 3

On January 25, 2008, Russell had a Meet the Candidate Night at City View Bar & Grill, a commercial establishment located at 709 Edgehill Dr, Johnstown, PA., a true and correct copy of the Tribune Democrat article dated January 25, 2005, is attached hereto, and incorporated by reference herein, as Exhibit D.

Russell's FEC filings do not disclose any expenditures being reported for this fundraising event. Russell appears to have held a fundraising event at this business establishment without ever paying for any of the costs thereof. Moreover, there is no reference to any sort of receipt or disbursement in financial disclosures with the Commission. Any amount actually raised at the "Meet the Candidate Night" continues to be a mystery.

Russell knowingly and willfully failed to report this disbursement on the 01/01/2008-04/02/2008, Pre-Primary Report.

COUNT 4

The use of a website by Russell raises a number of noteworthy issues. On one hand, if Russell was responsible for creating the website and provided it to Russell's campaign free of charge, it is a violation of federal law regarding in-kind contributions.

There is no reference to any of receipt or disbursement in financial disclosures with the Commission.

Regardless of who created the website, Russell is required to disclose it as either a receipt or disbursement, and he fails to do.

Under Federal Election Commission regulations, payment by an individual for campaign expenses is considered a contribution. 11C.F.R. § 116.5(b). Similarly, payments for an individuals own expenses are a contribution unless the individual is reimbursed within sixty days if payment was made by credit card, otherwise within thirty days. 11C.F.R. §116.5(b) (1) & (2). Any obligation arising from such expenditures is a loan to the

campaign, and is to be treated as a debt. 11C.F.R. § 116.5(c). Such a loan is considered a contribution to the extent of the outstanding balance of the loan. 11C.F.R §100.52(a).

Russell knowingly and willfully failed to report this disbursement on any of his reports.

COUNT 5

Russell and his Committee have distributed printed campaign materials, and maintained a campaign website.

Political committees must include a disclaimer on all "public communications" regardless of whether the communication expressly advocates the election or defeat of a clearly identified candidate or solicits funds in connection with a federal election. Specific examples of public communications that would require a disclaimer include a political committee's website, newspaper advertisements, and printed materials. 11 CFR §110.1(a).

Printed materials: Russells' printed material violates 11 CFR §110.11 (c) (2) (i)-(iii). According to these regulations, notice must appear within a printed box set apart from the other contents in the communication and the print must be of a sufficient type-size to be clearly readable by the recipient. Further, in the case of single-sided documents, the disclaimer must appear on the front. 11 CFR §110.1 k(c) (2) (iv).

A. The Russell printed materials, a true and correct copy is attached hereto, and incorporated by reference herein, as Exhibit E, have no disclaimer.

B. Website: The disclaimer on the William Russell for Congress website, a true and correct copy is attached hereto, and incorporated by reference herein, as Exhibit F, does not appear within a printed box set apart from the other contents in the communication and the print must be of a sufficient type-size to be clearly readable by the recipient. 11 CFR §110.11.

COUNT 6

Russell's solicitations for contributions by mail do not contain the following required statements:

- A. Under the Act and FEC regulations, political committees must report the name, address, occupation and employer of any individual who contributes more than \$200 in a calendar year (or in an election cycle, in the case of an authorized committee) (11 CFR 104.3(a)(4)). Committees must make their "best efforts" to obtain and report this information.

To satisfy the "best efforts" requirement, a political committee must include a statement on its solicitations explaining that it is required to make its best efforts to obtain and report contributor information.

- B. Under the Internal Revenue Service Code political committees must disclose in an "express statement (in a conspicuous and easily recognizable format)" contributions are not deductible as charitable contributions for federal income-tax purposes. 26 USC §6113.

COUNT 7

Russell failed to disclose at least 12 individual contributions that Russell failed to itemize from his campaign website (www.williamrussellforcongress.com) and (campaignsitebuilder.com) were made by:

1. Steve Maloney	11/2007 – 12/2007
2. Marvin Glaser	11/09/2007
3. Beverly Perlson	12/03/2007
4. Perry Moy	12/11/2007
5. Andrew Metrick	12/15/2007
6. Michael Heaney	12/16/2007
7. Suzanne Patterson	12/16/2007
8. Mary Alger	12/16/2007
9. Joseph Shuey	12/18/2007
10. James Irvin	12/20/2007
11. Kyran Molloy	12/21/2007
12. Jean Bender	12/29/2007

Russell's reports are illegally shielding the identities of the individual contributors from the public.

As a result the failure of William Russell for Congress to disclose all individual contributors appears to be knowing and willfull.

COUNT 8

On or about November 1, 2007, Russell established a campaign checking account in the name of William Russell for Congress with First National Bank located at 534 Main St, Johnstown, PA. The William Russell for Congress Account was set up so that checks could be drawn on the account with only one signature. Russell listed himself as the only person authorized to write checks.

Subsequently, on or about February 6, 2008, Russell established a second campaign checking account with First Virginia Community Bank located at 11325 Random Hills Dr., Suite 240, Fairfax, VA.

29044731079

Each committee shall notify the commission of the campaign depository (ies) it has designated 11 CFR §103.1.

Each political committee shall designate one or more State banks, federally chartered depository institutions (including a national bank), or depository institutions the depositor accounts of which are insured by the Federal Deposit Insurance Corporation, Federal Savings and Loan Insurance Corporation, or the National Credit Union Administration, as its campaign depository or depositories. One or more depositories may be established in one or more States. Each political committee shall maintain at least one checking account or transaction account at one of its depositories. Additional accounts may be established at each depository. 11 CFR §103.2.

CONCLUSION

I request that the Federal Election Commission conduct an investigation into these allegations, declare the respondents to have violated the Federal Election Campaign Act and applicable FEC regulations, and impose sanctions appropriate to these violations and take such further action as may be appropriate.

I declare, under penalty of perjury under the laws of the State of Pennsylvania and the United States that the foregoing is true and correct, except as to those matters which are stated on information and belief, which I believe to be true to the best of my knowledge and understanding.

Respectfully submitted,

GOP candidate opposes Iraq troop pullout

BY PATRICK BUCHANAN
 The Tribune-Democrat

Republican William Thomas Russell III took a tough stand Friday against pulling troops out of Iraq.

The Republican candidate seeking to unseat U.S. Rep. John Murtha in the 12th Congressional District greeted a dinner suggestion at a recent the candidate event at the City View Restaurant.

Russell - a former lieutenant colonel in the Army Reserve - took Democrats to task for wanting to withdraw troops.

"I think (Senator) Joe Lieberman said it best: 'It's a very necessary war but, unfortunately, it's going to be a very long war,'" Russell said.

Frustrated by his wife, Katherine, Russell called the war a long-term commitment requiring diplomacy and military intervention to keep militants from committing genocide.

"When you look at the cost of not being there, it's so much higher," he said.

"They're progressing toward peace. We're probably going to be there for a while."

Russell is relocating his wife and two children to Johnstown from Washington to challenge Murtha.

Russell wants a simplified tax code and elimination of the Death Tax. He is a pro-life candidate who supports traditional marriage and school choice.

For Johnstown resident Bob Plafavsky, economic development is a top issue.

"We need four-lane roads in and out of Johnstown to make the area grow," he said. "Planning never did anything. Hopefully, if we can get it in there, we can do something about the roads."

Russell acknowledges he has an uphill fight, especially in the heavily Democratic Johnstown region. In 2006, Plafavsky heavily defeated Republican challenger Steve Joy of Washington County.

Russell is creating value one at a time.

"I'm getting out and talking to people and sharing my ideas," he said.

William T. Russell

(Lieutenant Colonel, USAR)

Republican for Congress

Dear Fellow Patriot,

I'm running for Congress against John Murtha — the face of the anti-war movement and the betrayal of our Soldiers in the fight — and I need your immediate help.

No politician in America has done more to undermine our brave men and women in uniform than John Murtha. His actions have done more to lead us toward defeat than the enemy could ever hope to accomplish by their own devices.

I recognize that this will be an uphill battle. But I wouldn't be writing you this letter unless I know for a fact that my campaign can be successful.

So here's what I need you to do.

I'm asking you and every pro-military patriot across this country to support my campaign to defeat John Murtha by signing the "Americans to Defeat John Murtha" pledge right away.

You see, this is going to require a national grassroots effort and I'm asking you to be a part of it.

And my friend, the impact of your financial support in a more rural district like this cannot be discounted. I hope you'll consider this and decide to help me today.

The impact of a gift of \$35, \$50 or even \$100 in Pennsylvania's 12th Congressional district will go much farther than a \$200, \$500 or \$1,000 gift in a district with more expensive urban centers.

So please, sign the enclosed "Americans to Defeat John Murtha" pledge and rush it back to me today.

The liberal mainstream media can't get enough of this corrupt, Washington insider. They run to him and eagerly repeat his defeatist message in their newspapers and on their 24-hour cable news channels.

Unfortunately, this opportunist who famously stated that our Marines "...killed innocent civilians in cold blood" in Iraq before ANY evidence had been presented...

(Turn over, please...)

EXHIBIT 'E'

They are seeking the same type of political victory the Communists achieved in the Vietnam War — but just enough Americans to make the news and let the American anti-war movement and politicians do the rest.

John Murtha's is playing directly into their hands.

I have had the opportunity to visit with our wounded heroes on numerous occasions. I've seen Soldiers with shattered limbs. Others had missing eyes and had severely wounded faces.

The sacrifices these young people have made for our freedom is simply unimaginable. They give all they have. All they ask in return is that they have the support of those who asked them to serve.

My friend, I am absolutely convinced that the tide has turned in our favor on the battlefield in recent months...

...But history tells us that complete victory simply will not be possible as long as there are "leaders" in Congress who look to undercut and betray our military.

I wouldn't be putting my family through the stresses of this campaign unless I felt I could win.

And I wouldn't have left the Active Duty with the U.S. Army two years short of full Active Federal Service retirement unless I believed this race was of such vital importance.

Trust me, I know how to run a tough but principled campaign against John Murtha. I'm going to run against his horrific record and present a clear vision of what the future can be!

John Murtha has refused to apologize to the Marines he falsely accused of murder and has never explained why he has become so determined to see America fail in this must-win war.

I intend to defeat John Murtha once and for all. But I will need your "Americans to Defeat John Murtha" pledge to do it.

And when you return it please help my campaign out with \$35, \$50, \$100. If you can send back as much as \$250, \$500, \$1,000 or \$2,300 — then please do.

Out of touch, anti-military types like John Murtha who vote to cut off the funding of those fighting on the battlefield — deserve to be defeated.

I could go on and on about all the damage he has caused our military and its efforts...

...And that's exactly what my campaign must do. I must effectively highlight his sad record over and over again to the voters in the critical weeks ahead.

(Turn to last page, please...)

...Is now chairman of the House Defense Appropriations Subcommittee in Nancy Pelosi's Democrat-controlled Congress!!

And despite undisputed evidence of great military gains in Iraq under the strong leadership of General Petraeus -- John Murtha remains blinded by his own anti-military propaganda and fixated on an American defeat.

Fortunately, more and more people are finally taking notice of John Murtha's bitterly partisan -- and dangerous -- acts.

That's why this campaign against John Murtha is gaining ground and picking up significant momentum every day.

But I must be realistic.

I know I cannot win this race unless I have the support of conservatives just like you.

★★ And that's why I am asking you to sign the "Americans to Defeat John Murtha" pledge today and return it to me as soon as you possibly can.

This is my new mission.

I have served in the U.S. Army for 28 years of Active and Reserve service, including six tours in hostile fire zones.

But by far the most harrowing event I ever experienced occurred on the morning of September 11, 2001.

My wife, Kasia, who was pregnant with our son at the time, and I were working in the Pentagon. From the moment the second plane impacted the twin towers, I knew we were in a war we had to win. In the first few minutes following the impact of Flight 77 into the Pentagon, I did not know if my wife was alive. Thankfully she and our unborn son were unharmed.

Since then I've had the honor of serving with our troops on the streets and base camps of Iraq where I saw their bravery and sacrifice with my own eyes.

My friend, I've seen the face of Islamic Radicalism firsthand and I am telling you that victory is imperative to both our nation's security and its future.

But our victory is being made much more difficult because of the words and actions of John Murtha.

When he accuses our soldiers of murder and declares defeat at every turn...

...It encourages our enemies to kill and injure more of our Soldiers and murder large numbers of Iraqi civilians. The enemy knows they can never defeat us on the battlefield.

(Next page, please...)

Please understand, with your urgent help today my campaign will be in position to do what was considered unthinkable just a few months ago -- defeat John Murtha!!

That's why I'm asking for your crucial "Americans to Defeat John Murtha" pledge for my campaign.

You see, your "Americans to Defeat John Murtha" pledge and donation to my campaign will help me convince disheartened voters that this year can be different.

Once they see the ground-swell of support from other patriotic Americans like you who have had enough of John Murtha and his extremist views and tactics...

...This campaign will be in position to win!

But again, for me to run a winning campaign I'm relying on the support of conservatives just like you.

That's why I need your "Americans to Defeat John Murtha" pledge.

And when you send me your "Americans to Defeat John Murtha" pledge I'm asking that you send me a generous contribution of just \$1 per year John Murtha has been in the Congress.

If you think that defeating John Murtha is important, perhaps you could help my campaign with a gift of \$50, \$100, \$250, \$500, \$1,000 or hopefully even the maximum allowed of \$2,300.

I hope that you agree with me when I say that defeating John Murtha is essential for the future security of America.

So if you can write a check today for \$2,300, \$1,000, \$500, \$250, \$100, \$50 or even \$34 -- please do so right away.

And remember, the impact of a gift like \$100 in a Congressional district like mine will go further than a \$500 gift in many other areas.

Please help me defeat John Murtha so that we can drive a stake through the heart of the defeat-at-any-cost, anti-war movement. John Murtha has done enough damage...

TURNING THE TIDE!

Lt. Col. William T. Russell (USAR)

P.S. John Murtha has done more to undermine our brave men and women in uniform than any other politician in America. Patriotic Americans have had enough. Please help me send John Murtha packing!

Your "Americans to Defeat John Murtha" pledge for my campaign is needed today, as is your crucial donation for \$34, \$50, \$100, \$500 or even \$1,000 or \$2,300.
